

## From the Desk of Father Gonser

On Monday, May 10 at 7:00 p.m. our parish will welcome Mary Pat Fry, Diocesan Director of the Stewardship Office. I encourage anyone who would like to learn of the purpose and practices of stewardship to attend Mary Pat's short lecture. I plan to develop our committee by increasing its membership so that our parish can continue to be instructed and encouraged in the practice of stewardship. Please come with an open heart and mind knowing that stewardship can support your spiritual life. You will not be disappointed in attending this meeting.

Our parish is based upon the principle of stewardship which is the recognition and appreciation that all that we have, our time, talent and resources is a gift from God. As a good steward we acknowledge that giftedness and increase it and share it justly and charitably to support our family, our community, our church and all who are in need. God will never be outdone in generosity. When we embrace the life of stewardship we will be richly blessed in ways that we never expected or imagined. Plan to attend the meeting at the Church on May 10 and learn how you can be a good steward and faithful disciple of our Lord.

"My sheep hear my voice; I know them, and they follow me. I give them eternal life, and they shall never perish. No one can take them out of my hand. My Father, who has given them to me, is greater than all, and no one can take them out of the Father's hand. The Father and I are one."  
Jn 10:27-30

## Family Perspective

In the conflicting and confusing messages of modern society, the voice of the Good Shepherd is heard clearly in families that establish rules based on God's commandments and rituals that communicate belonging, love and guiding discipline. Follow the voice of the Lord in your family.

Jesus day turned out to be a wonderful spiritual day for volunteers and students. Thanks to Kelly Reed, Beth Paoloni, and Kristen Stefka our second graders spent a day in God's house having fun and learning about their faith. Mrs. Mackay and her daughter Jordan made beautiful personalized bags for the kids to hold all of their Jesus Day treasures. The Second graders made rosaries with Chris Vacca, Kristen Stefka, and Ceil Morrison. They baked bread with Annamarie Pabian, and learned about the multiplication of bread story from the Bible. Mrs. Price and Mrs. Swindig also helped with making bread as well as prepared the delicious lunch. Each participant also made a banner, with Mr. and Mrs. DiFilippo, to put on their seat for First Communion. Jessica Reed helped out with games. Mr. Brown lead students on a scavenger hunt through the church to learn the names of important items in the sanctuary. Fr. Gonser blessed our scapulars, rosaries, and St. Christopher medals. We finished the day reading help letters from our families, friends, and supportive parishioners.
