

From the Desk of Father Gonser

During the month of May our devotion to Blessed Mary is a solemn tradition in our Catholic faith. This Sunday, at the 9:00 children's liturgy, our second graders will participate in our May crowning. This will be the last PSR class of the school year. Congratulations to our principal Kelly Reed, to the staff and most of all to our children who are our parish's pride and joy of our PSR.

Our Mary devotion will consist of recitation of the rosary after daily morning Mass at the Chapel and every Wednesday evening at 7:30 at the Church. I encourage everyone to pray the rosary daily for world peace and to promote increased vocations to the priesthood, diaconate and religious life. More than ever before our Church needs more men and women to accept the challenging vocation of church ministry. The anti-catholic forces in our public media, that is newspapers and TV, are displaying a very distorted and libelous picture of our Church, its membership and leadership. We must combat this evil and slander with goodness and truth. This is found in the solid foundation and teachings of the Catholic Church. Christ has promised that the gates of hell will not overcome our Church. In the 2,000 years of its existence, in spite of our failings and poor leadership at times, we have risen above these human failures and have continued to live and be faithful to Christ's teachings. While we lament serious failures by some of our members we look to the great majority of our people who are spirit filled and are strong and faithful members of the Catholic Church.

May the Blessed Mary, especially in this month of May, guide and support us. May we be faithful and strong members of our parish in witnessing charity, justice and kindness to our brothers and sisters in Christ.

Jesus said: "My children, I will be with you only a little while longer. I give you a new commandment: love one another." Jn 13:33a, 34a

Family Perspective

"As I have loved you, so you should also love one another." *In Follow the Way of Love* our bishops state: "What you do in your family to create a community of love...is critical, not only for you but for the strength of society and our church. It is a participation in the work of the Lord, a sharing in the mission of the Church. It is holy." A high calling indeed! The every day actions and interactions of family members are one of the main ways Christ acts in the world. Families, be true to your calling. Ask the Holy Spirit for help in being families who love one another.
