

St. Julie Billiard Parish

Ascension of the Lord

From the Desk of Father Gonser

All are welcome Sunday evening to our city wide Ecumenical Service at 6:00 p.m., at South Central Park. We gather to commemorate our city's 200th anniversary, to thank God for the blessings that have come to our community, and to ask for support to face the challenges of a growing city with many, many needs. There will be a short prayer service and a few testimonials from local officials.

We are half way through the month of May. As you can see driving to church our beautiful grounds offer a welcoming atmosphere for prayer and peaceful mediation. Many thanks to all our Garden Angels who have volunteered to maintain and enhance our grounds and gardens. We also look forward to showcasing our beautiful grounds, especially, on August 15 when we celebrate our 32nd Anniversary with an outdoor Mass.

Our parish is slowly and steadily growing in membership. So many of our parishioners are great examples of stewardship by sharing their time, talent and resources to support our parish and its many programs. That affects not only our parish but many people in our community. May the Lord bless all who are so faithful in supporting our parish and especially sharing the good news of St. Julie Billiard with those who are searching for a strong faith based community.

Jesus said to his disciples: "Thus it is written that the Christ would suffer and rise from the dead on the third day. You are witnesses of these things." Lk 24:46, 48

Family Perspective

Jesus sends us all to the mission fields this week. That is, where we live, work and play. Families are the *Church of the Home* and it is the daily activities of families where disciples are formed; where others observe and judge us as being Christians or not. To paraphrase the Gospel: "Don't just stand there staring into space, get busy being witnesses to Jesus in your home, workplace and Community!"
