

## From the Desk of Father Gonser

As you travel through the summer please remember your fellow parishioners will be praying for you every weekend.

Our programs and activities for the summer are continuing in full swing since ministry does not take a summer vacation. I encourage you, as faithful stewards, not to forget our needs for financial support during the summer. If you are planning to be gone for several weeks consider sending your Sunday collection by mail or using your envelopes before you go on vacation. Our finance commission is planning a special financial report at the end of July.

We are making a lot of improvements around the parish grounds and developing new programs thanks to increased support every Sunday.

God bless all who are living out the spirit of stewardship by using their time, talents and resources justly and charitably.

"Whatever town you enter and they welcome you, eat what is set before you, cure the sick in it and say to them, 'The kingdom of God is at hand for you.'" Lk 10:8-9

## Family Perspective

Today is a day of rejoicing! As we celebrate our freedom, let us give thanks to God for our abundant blessings and remember God's Kingdom is being established on earth and we are to be part of this. We are sent into the world like the seventy-two were sent in the Gospel. Jesus wants us to bring the good news to our families, neighborhoods, workplaces-wherever we go!

Save the date!

## Religious Education

### PSR - Parish School of Religion, K-8 (Sundays, Sept.-May, 9:00 a.m.)

We are so grateful to those parishioners who have stepped forward to teach PSR this year. We are still looking for a second grade co-teacher. Call 327-1978.

**Vacation Bible School** for students entering K - 5th grade. My neighbors think I'm Noah! I am building a boat in my garage. Volunteers have been working all summer getting ready for July 12-16 from 6-9 p.m. So far we have more volunteers than we do students. Call 327-1978 to register, or go on-line (under "Upcoming Events") and print off a registration form.

### NTV - New Teen Vision, High School Religious Education

*Spiritual Formation, Social Activities and Service Opportunities*

**Oglebay Trip**, July 23-30 for all students in 9th-12th grades. Cost for the entire week is \$100. The **deadline** for registration is **this week**. Forms are available on-line under New Teen Vision or "Upcoming Events".

**Junior High Bible Camp**-Kelly Reed and family helped coordinate this great time for our Junior and Senior High Students. We had 25 campers and 10 High School counselors who gave up a week of their summer to help out. The campers learned a little more about our seven sacraments. We had a splashing good time learning about the waters of Baptism while we made a cross on Julie Lane symbolizing our membership in the family of God. We visited Center Ridge Health campus when we studied the sacrament of Anointing of the Sick and Eucharist. We hosted a Mini Bible Camp at a day care at St. Joseph's in Amherst, to show that we were full of the Spirit of Confirmation. We spent a day with family and friends at Kalahari. Finally, we learned more about the Sacrament of Holy Orders when we visited Borromeo Seminary in Wickliffe. We wrapped up the week canoeing down the lower Cuyahoga River in Hiram. Thanks to our volunteer drivers who kept this week moving, and thanks to our great NTV Members who provided leadership for our junior high students. Thanks also to our kitchen volunteers Debijo Lamb and Gene Morrison.

**Garage Sale**-The 2nd Annual St. Julie's Garage Sale was an all around success. Vendors gathered together with great weather conditions and plenty of good neighbors surrounding them. The Yanasak and Clark Families did a wonderful job coordinating the sale. Everything ran smoothly under the careful eye of Stasia Yanasak and Barb Clark. Tony Yanasak, Tom Clark, Henry Chamberlain, Bella Chamberlain and other Clark/Yanasak family members moved tables and helped out at the refreshment stand. New Teen Vision members helped out and manned the table full of the donations from our generous parishioners. Looks like we earned over \$400. Thanks to all who participated.

~~~~~

The symposium was supported by Cincinnati Right to Life, Bishop Richard Lennon, Ohio Right to Life and numerous other national and local Right to Life organizations.
