

From the Desk of Father Tom

It is said that the only person who likes change in life, is a baby with a wet diaper. During the past 25 years of priestly ministry, I have experienced change seemingly too many times but then again I am the baby of the family. On July 1st, I embraced a change in priestly assignment and residence. Bishop Lennon assigned me to be the Priest Chaplain at St. John's Medical Center with residence at St. Julie's. It is really good to return close to home, as my mom lives in North Olmsted, and to return to hospital ministry. Born and raised in Cleveland, I have ministered at Metro Health Medical Center and Lakewood Hospital for a total of 13 years. Twelve years have been spent in numerous parishes including Pastor at St. Mary, Elyria and Parochial Vicar at Queen of Heaven Parish in Green for the last three years, where I worked extensively with the youth.

I look forward to celebrating Mass and joining in parish activities as my schedule allows. This Hungarian does not play golf but collects lighthouse memorabilia.

The Lord said to her in reply, "Martha, Martha, you are anxious and worried about many things. There is need of only one thing. Mary has chosen the better part and it will not be taken from her." Lk 10:41-42

North Ridgeville Corn Festival Information Tent

On August 13, 14 & 15 St. Julie's and St. Peter's will be manning an information tent on the midway. This annual city wide event is an excellent opportunity for our two Catholic parishes to meet and greet people. Sign up sheets will be at the back of Church for parishioners to spend one hour at the tent on the midway. This is a great way to practice stewardship and share the Good News about our Catholic Church in North Ridgeville. Questions call Evelyn Awad, our volunteer coordinator, 216-322-2197. We will provide gifts for the children and adults who visit our tent. We will need volunteers from 6:00 to 10:00 p.m. on Friday, Noon to 8:00 p.m. on Saturday and Noon to 5:00 p.m. on Sunday.

Family Perspective

The familiar story of Martha and Mary serves as a reminder for us to "choose the better portion" with our families. Are we too busy to really be present to each other? Give the gift of time and attention to spouse, children, parents and siblings. Truly listen to them and do what they enjoy doing. This is one of the best ways to calm anxiety, lessen stress and jump start a cycle of blessings from God.

Christmas In July

Yes, Christmas in July for Birthright. Our friends at Birthright of Lorain County provide layettes for newborn babies (their mom's have come to Birthright for help and support). The "Christmas Tree" is set up at the back of Church. Please select a "bootie or two" with a gift suggestion and return to Church by July 25. These items should be new, however Birthright is always in need of gently used maternity, infant and toddler clothing.

Is Inter-Faith Hospitality in St. Julie's Future?

Inter-Faith Hospitality has been a tradition at St. Julie's for over 10 years. We have enjoyed the many guests that have come through our doors, and shared the success stories of families united in their own homes. In order for this ministry to continue, we need new people to step forward and take on a leadership role. We need about six individuals who could commit to the following job description:

- Attend two annual planning meetings at St. Julie's
- Responsible for one evening of the IHN week from 4:30-9:00 p.m. four times a year.

If six people stepped forward, plus the three families that are already involved, the week could be covered. Toni Yandura has graciously agreed to remain the team leader. The team of 9-10 people would allow flexibility for vacations, illness, appointments etc. for the entire leadership team. Please consider this very important ministry! Thank You God!

Since its opening five years ago, our parish has been praying that the Family Planning Services of Lorain County chemical abortion clinic in North Ridgeville would cease their anti-family and anti-life activities. This week it was confirmed that the North Ridgeville clinic has closed! In gratitude for God's answer to our prayers, and in conjunction with our parish's monthly Rosary for Life, a thanksgiving prayer service will be held on Wednesday, July 28. Details will be in next week's bulletin.
