

From the Desk of Father Gonser

Here we are on the 1st of August and wondering what happened to June and July. Everyone I speak to has the same big question, why did the past two months go so fast and, you know, that is a really good question. Is it amnesia or is it a cycle of constant activity that dulls our perceptions and makes us oblivious to the blessings of each day? We can all be so caught up with meetings, practices, shopping and work that we do not plan quality time just to rest, relax and enjoy the presence of family and friends. This month we can hopefully readjust our schedules and time lines to embrace the opportunities of celebration and prayer provided by our parish.

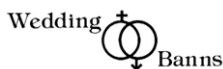

Check out the Fest on August 8 at the Center for Christian Leadership. It is a wonderful family celebration; and then come to our outdoor Mass at 10:30 on August 15 to thank God for our 32 years as a parish family. I look forward to celebrating this Mass as we face the challenges and responsibilities of a growing faith community.

"But God said to him, 'You fool, this night your life will be demanded of you; and the things you have prepared, to whom will they belong?' Thus will it be for all who store up treasure for themselves but are not rich in what matters to God." Lk 12:20-21

Family Perspective

In today's gospel Jesus tells us: "One's life does not consist in the abundance of possessions." When we spend too much time working to obtain more stuff we don't have time for the people in our lives. What is "enough"? Are the words of Jesus, "You fool", meant for us?

Is Inter-Faith Hospitality in St. Julie's Future?

Inter-Faith Hospitality has been a tradition at St. Julie's for over 10 years. We have enjoyed the many guests that have come through our doors, and shared the success stories of families united in their own homes. In order for this ministry to continue, we need new people to step forward and take on a leadership role. We need about six individuals who could commit to the following job description:

- Attend two annual planning meetings at St. Julie's
 - Responsible for one evening of the IHN week, 4:30-9:00 p.m. four times a year.
- If six people stepped forward, plus the three families that are already involved, the week could be covered. Toni Yandura has graciously agreed to remain the team leader. The team of 9-10 people would allow flexibility for vacations, illness, appointments etc. for the entire leadership team. Please consider this very important ministry!
