From the Desk of Father Gonser

Labor Day weekend is upon us with the official end of summer and the opening of school and fall programs. We welcome back all of our families who have been on vacation and traveling the past three months. All are invited to our Labor Day Cluster Mass, Monday at 8:30 in the Church which will be concelebrated by Fr. Bob Franco and Fr. Thom Kowatch. Afterwards please stay for a tasty breakfast presented by our NTV students and advisors.

Last week I spoke briefly about the parish initiative, Rooted in Faith - Forward in Hope. We are progressing very well with the meeting of very supportive and generous donors. We should reach our parish goal this week. After that we receive 70% for our parish growth and development. The generosity of those parishioners we have contacted has been awesome. Our parish and diocese will benefit greatly from this campaign. Thanks to all who have supported it. May we all continue to pray for the success of this program and for the many parishioners who are sick, homebound and recovering from operations.

May we all pray for each other in response to the second reading of the Sunday Mass from Romans, "You shall love your neighbor as yourself." We can be confident our prayers will be heard because Jesus said in today's Gospel, "Amen, I say to you, if two of you agree on earth about anything for which they are to pray, it shall be granted to them by my heavenly Father. For where two or three are gathered together in my name, there am I in the midst of them."

"Again, amen, I say to you, if two of you agree on earth about anything for which they are to pray, it shall be granted to them by my heavenly Father. For where two or three are gathered together in my name, there am I in the midst of them." Mt 18:19-20

Family Perspective

LISTENING! It sounds so easy, but it can be difficult. Our reaction might be to advise, correct, or direct. That isn't listening! Listening cements relationships, develops trust, and allows us to discover God's presence in the encounter, for Christ tells us, "Wherever two or three are gathered in my name, there I am in their midst."

What Cursillo Means to Me

Cursillo has changed my life. Prior to making Cursillo, I was searching and praying for some direction in my Christian life. I loved God and attended Church, but felt a need for more direction and meaning to being a Catholic. I really wanted a closer, personal relationship with Jesus. The Cursillo weekend gave me that relationship and direction. I really feel that the three days I spent on my Cursillo was a gift given to me by God. I was able to set the hectic world aside for awhile and concentrate on where I was going with my Christianity. I was able to develop a closer relationship with God and I was able to develop life-long friendships with many, many fellow Christians who were searching for the same things I was. I made my Cursillo in 1992 and thank the Lord for giving me the strength and guidance to lead a Christian life in today's world.
