You are welcome to call the office

**From the desk of Fr. Bob...**

Dear Parishioners,

**This is the heart of summer and vacation time.** Vacation comes from the word "vacate", which means to *leave*. And though not everyone is able to take a vacation or even do a "staycation", all of us need to, in one way or another, *vacate*. By this, I mean that **we all need to temporarily leave our routines and responsibilities in order to be refreshed.**

**We do not leave our routines and responsibilities merely to escape.** We change things up in order to approach these routines with fresh vigor and a new perspective. Most likely, our routines and responsibilities will not change too much while we are away from them. (However, nothing does remain static. Once I was at a parish where the pastor was on vacation for three weeks. As a joke, one of the other priests put a "For Sale" sign in front of the rectory. One evening, when the vacation ended, he picked up the pastor and brought him home from the airport. The priest made sure to slow the car down as he turned into the garage area and shined his headlights on the for sale sign. Sometimes things change!) Though things do not change much, hopefully we are changed!

**In today's gospel, Jesus invites all of us with these words: Come to me, all you who labor and are burdened, and I will refresh you...** Apart from God's grace, life can be laborious and burdensome. A person can have everything they need and even have ample time for leisure, but without God's grace life can seem pointless and frustrating. On the other hand, one can have many responsibilities and challenges, and yet approach them with vigor and joy. The Holy Spirit assists one with purpose and peace as they embrace their tasks.

Having said that, I hope that all of us can have some sort of vacation this summer. Physical rest and healthy distraction do refresh the soul and prepare us to meet life with clarity and hope.

**And speaking of vacation, please keep Vacation Bible School in your prayers this week.** Forty of our younger school age children and twenty-one helpers/leaders will be participating in *Stellar-Shine Jesus' Light*. I am sure that this week will be *out of this world*.

Vacation Bible School will be here at St. Julie Parish. Since VBS reconfigures how the sanctuary is set up, **the 5:30 p.m. daily Mass will be in the Holy Family Room of the St. Julie church building on Monday, Wednesday, and Friday. Please make a note of this.**

**One other meeting of note this week: Walking with Moms in Need will be meeting on Wednesday, July 12 at 7:00 p.m. in the St. Julie Rectory.** This group is assembled to do what its name says. It helps women who are pregnant and need assistance. The group is here to help.

**I believe Walking with Moms in Need can be of great assistance.** To quote again Archbishop Fulton Sheen, *Life is Worth Living*. However, there are many people in our culture who do not feel this way about an unborn person. Giving birth and raising a child is a life altering and destiny changing event! Some people are afraid to embrace those burdens, fear the change that a child would bring, wonder about their finances and future. Amid these circumstances that are challenging,

(continued)

I believe the lives of these unborn children are precious and deserve a chance to live.

**Some people are afraid of the burden of another person in the world. I contemplate what good things that person will bring into the world.** All are welcome to the *Walking with Moms in Need* meeting on Wednesday.

In Christ,

Fr. Bob Franco

PS: St. Peter has changed its Saturday Mass schedule. The Vigil Mass on Saturday is now at 4:00 p.m. There is another option for Mass on Saturdays now.

**Fr. Gonser Update:**

As some of you may have heard, Fr. Gonser, while leading a pilgrimage in Greece, fell on some steps and gashed his legs. He is at home now. However, the wound was quite deep and is being treated by a wound specialist. The doctors told him that it would take around 12 weeks before he will have a semblance of normal. He is able to drive and can celebrate Mass. However, he is only able to be on his feet for 10 minutes at a time. Please keep him in your prayers.

"Come to me, all you who labor and are burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am meek and humble of heart; and you will find rest for yourselves. For my yoke is easy, and my burden light."

- Mt 11:28-30

## WHAT IS THE UKRAINIAN WELCOME CIRCLE?

By now, you've probably heard that St. Julie and St. Peter parishes have partnered to create a Welcome Circle in order to host a Ukrainian family who is suffering from the effects of the war between Ukraine and Russia. This flyer provides the background on the project.

The U.S. government has developed a program (Uniting for Ukraine) for people fleeing the war in Ukraine so that they may apply to come to the U.S. on a temporary basis known as humanitarian parole. This is for a temporary period of 2 years and requires the support of a US sponsor. Through this program, the sponsor submits a Declaration of Financial Support, indicating that they will receive support, and maintain the individuals named on the application.

### Memorare Prayer

(Please pray daily)

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thy intercession was left unaided.

Inspired with this confidence, I fly to thee, O Virgin of virgins, my Mother; to thee do I come; before thee I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in thy mercy hear and answer me.  
Amen.

## OUR WELCOME CIRCLE

St. Julie and St. Peter parishes have joined together in forming the "St. Julie & St. Peter Ukrainian Welcome Circle" to sponsor a Ukrainian family to re-settle in our area. The Welcome Circle is a core group of parishioners who have made a 2 year commitment to support the family in becoming self-sufficient over that time. **We cannot do this alone, we will need to expand our network of volunteers to include many from our two parish communities.** There are also a number of resources we will use to support our efforts. A few of those are:

- Catholic Charities – Diocese of Cleveland
- Community Sponsorship Hub Resources for Circles
- Federal, State and local Government Agencies

### GETTING STARTED: BUILDING THE INFRASTRUCTURE NEEDED

The first step is to reach out to these resources and our own contacts to build the infrastructure so that we can complete all documentation to achieve certification of the Welcome Circle by the United States Conference of Catholic Bishops and the US government program. We must then submit all of the necessary application(s) to begin communications with potential families for sponsorship.

### FOCUSING ON FAMILY ARRIVAL AND COMMUNITY ESTABLISHMENT

The work of the Welcome Circle is very focused in the first 6 months after the family arrives. It is the infrastructure built during the Welcome Circle planning stages and the support of our parish communities that will help complete some of the most important tasks in making the family self-sufficient:

- Assistance in navigating their new community
- Help in applying for available public benefits
- Accessing services and support programs as well as grants with supporting agencies
- Find initial housing, help furnish and stocking the pantry
- Access to healthcare services
- Enrollment in English Language courses
- Support in securing employment
- Navigation of public transportation
- Enrollment for school age children

## QUESTIONS & SUPPORT

We know that responsibility of sponsoring a family is both serious and rewarding. We also believe that it will bring all of us closer together while providing a Ukrainian family the opportunity to begin again. Stay tuned for updates on our progress, opportunities for you to assist, and fundraising initiatives.
