WHEN THE WINE RAN SHORT, THE MOTHER OF JESUS

## From the Desk of Father George

Greetings Parishioners and friends of St. Julie's,

From last week's Feast of the Baptism of the Lord, we jump into the Wedding Feast of Cana. This first recorded miracle of Jesus drew his disciples into believing in him. While a wedding feast of first century Palestine might look and sound different than weddings of today, it was still a celebration of family and friends. Jesus, Mary and the disciples were invited guests who attended like everyone else... but what a turn of events!

As the water is changed into wine - a choice wine at that - Jesus becomes our wine. He is the drink that enters in and transforms us. He is the choicest drink of heaven and the grace of compassion. Throughout Jesus' ministry he offered us a new way of living... a new way of thinking... a new way of responding to events and others. What a gift we have in Him!

After a wonderful Christmas Season, it is time to move from the infant in the manger to the adult Son of God calling us to follow and be changed. While it may take some time to become a vintage wine, we all have what it takes. Jesus offers himself to us day in and day out - all we need to do is listen and follow. Remember, Ordinary Time is anything but ordinary. It is filled with awe and wonder of a different type.

*Fr. George*

**Regarding the current spike in Covid:** Those who are ill, have significant health risk factors or care for someone who is immune-compromised or ill, as well as those who have significant fear or anxiety about contracting the coronavirus in a large group of persons are not obliged to attend Mass.

### Parish News and Updates:

- **BOOK STUDY CLUB DATES COMING SOON!**

There was a wedding at Cana in Galilee, and the mother of Jesus was there. Jesus and his disciples were also invited to the wedding. When the wine ran short, the mother of Jesus said to him, "They have no wine."  
- Jn 2:1-3

### Martin Luther King Jr. Day

Martin Luther King Jr. Day, or MLK Day, is the third Monday in January. It is a holiday celebrating the many kinds of people in our country.

Not everyone used to be able to go to the same schools. Not everyone used to be able to ride the same buses. Everyone couldn't even use the same bathrooms! Martin Luther King Jr. helped change this. He and many other citizens wanted to change our country so everyone would be treated the same.

On this holiday every year, we need to think about community. We are supposed to think about how to get along together and solve our problems!

### Thoughts from Saint Julie Billiart,

*God's peace will reign in the heart of each one of us, and we shall do our best to bring it into the hearts of others.*
