NEW PARISHIONERS

You are welcome to call the office
or register on line.

Dear Parishioners,

The Fourth of July...Family Gatherings...Fireworks...Parades...Summer Fun. These are the staples of an average Independence Day Celebration. The reason we can do these things on July 4 (and many other times each year) is because we live in the United States of America. We share in a measure of freedom and prosperity perhaps unrivaled in any other time and place on earth. However, in order for this freedom to fully flourish we need to reflect on how we came to this place as a nation and where we are going.

The freedom we enjoy was obtained through the blood, sweat and tears of many people over the 247-year history of the United States. The foresight and courage of our founding fathers laid the foundation. Others of our politicians purchased swaths of land that created a country that stretched from coast to coast. Abraham Lincoln led our nation through its most dark and divisive period during the Civil War. The union of States were preserved at great cost. Our country defended the freedom of other countries in WW I and WWII. We sought the freedom of Korea and Vietnam with less success, but nonetheless fostered democracy and stemmed the spread of ideologies and regimes that were atheistic and dictatorial. And as a nation we continue with an external struggle against terrorism and an internal struggle over moral issues.

If this is where we are, we need to ask ourselves, "Where do we want to go? How are we to use our freedoms as citizens of the United States?" Currently, the United States and NATO support the people of Ukraine in the struggle for autonomy against Russian aggression. **Locally,**

St. Peter and St. Julie Parishes have partnered to resettle a Ukrainian refugee family in our area. Please read the bulletin insert for details.

As for our internal struggles over moral issues: I have often reflected on a thought that an older gentleman shared with me: *One person's rights end where another person's rights begin.* I believe that this principle applies directly to abortion. As a Church, by a sense of natural law and revealed truth, we have upheld the protection of life from biblical times. The psalmist said, *You formed my inmost being; you knit me in my mother's womb.* (Psalm 139:14). John the Baptist leapt in Elizabeth (Luke 1). The Didache, a Church document dated around 110 AD stated *You shall not procure an abortion or destroy a newborn child.* (Didache 2:2).

Modern science heightens what natural law instinctually tells us. We know today that the child in the womb has separate DNA and is its own person. That unborn person's right to life is not to be violated by another person, even its father or mother.

I know that the Lord extends mercy and forgiveness to those who have acted out of fear or selfishness. And I am also grateful for those who *Walk with Moms in Need.* (Please see our website for information on how our parishes help moms in need.)

Finally, I know that, amid the struggles of our day, we are called to make use of our freedoms and to stand for those whose freedoms are threatened, especially the unborn. **As we enjoy our Independence Day celebrations let us remember that we enjoy this freedom because someone sacrificed for it. Let us not be afraid to make sacrifices for the freedom of future generations.**

In Christ, Fr. Bob Franco

Peter's Pence

The Peter's Pence collection is to support the Universal Church and the work of the Holy See, including helping Pope Francis to carry out his charitable works. These works benefit our brothers and sisters on the margins of society, including victims of war, oppression, and disasters. Please be generous. Envelopes are in your packets.

Married and Engaged Couples

A Natural Family Planning (NFP) class is an excellent tool to help couples get the practical help they need to understand and live out the truth and beauty of God's plan for married love. NFP is safe and healthy. It's nearly free. It's "green." And NFP is effective for achieving or postponing pregnancy. Many couples find that NFP helps them build a deeper and closer relationship to each other and to God since they are experiencing marriage as God intended. Classes are available in-person and also on-line - both live and self-paced. For information on upcoming classes or to learn more about NFP, call Bill and Jessica Davidson at 216-347-1041, or visit the Couple To Couple League website at ccli.org.

WHAT IS THE UKRAINIAN WELCOME CIRCLE?

By now, you've probably heard that St. Julie and St. Peter parishes have partnered to create a Welcome Circle in order to host a Ukrainian family who is suffering from the effects of the war between Ukraine and Russia. This flyer provides the background on the project.

The U.S. government has developed a program (Uniting for Ukraine) for people fleeing the war in Ukraine so that they may apply to come to the U.S. on a temporary basis known as humanitarian parole. This is for a temporary period of 2 years and requires the support of a US sponsor. Through this program, the sponsor submits a Declaration of Financial Support, indicating that they will receive support, and maintain the individuals named on the application.

Memorare Prayer

(Please pray daily)

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thy intercession was left unaided.

Inspired with this confidence, I fly to thee, O Virgin of virgins, my Mother; to thee do I come; before thee I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in thy mercy hear and answer me.
Amen.

OUR WELCOME CIRCLE

St. Julie and St. Peter parishes have joined together in forming the "St. Julie & St. Peter Ukrainian Welcome Circle" to sponsor a Ukrainian family to re-settle in our area. The Welcome Circle is a core group of parishioners who have made a 2 year commitment to support the family in becoming self-sufficient over that time. **We cannot do this alone, we will need to expand our network of volunteers to include many from our two parish communities.** There are also a number of resources we will use to support our efforts. A few of those are:

- Catholic Charities – Diocese of Cleveland
- Community Sponsorship Hub Resources for Circles
- Federal, State and local Government Agencies

GETTING STARTED: BUILDING THE INFRASTRUCTURE NEEDED

The first step is to reach out to these resources and our own contacts to build the infrastructure so that we can complete all documentation to achieve certification of the Welcome Circle by the United States Conference of Catholic Bishops and the US government program. We must then submit all of the necessary application(s) to begin communications with potential families for sponsorship.

FOCUSING ON FAMILY ARRIVAL AND COMMUNITY ESTABLISHMENT

The work of the Welcome Circle is very focused in the first 6 months after the family arrives. It is the infrastructure built during the Welcome Circle planning stages and the support of our parish communities that will help complete some of the most important tasks in making the family self-sufficient:

- Assistance in navigating their new community
- Help in applying for available public benefits
- Accessing services and support programs as well as grants with supporting agencies
- Find initial housing, help furnish and stocking the pantry
- Access to healthcare services
- Enrollment in English Language courses
- Support in securing employment
- Navigation of public transportation
- Enrollment for school age children

QUESTIONS & SUPPORT

We know that responsibility of sponsoring a family is both serious and rewarding. We also believe that it will bring all of us closer together while providing a Ukrainian family the opportunity to begin again. Stay tuned for updates on our progress, opportunities for you to assist, and fundraising initiatives.
