PASTOR'S LETTER

Dear Parishioners,

I am grateful for Niki Sherman, assistant principal of St. Peter School, who is heading up our Vacation Bible School this summer. St. Julie Parish is hosting the event. I am grateful for the participating of both parishes as we seek to hand on the faith to our younger brothers and sisters.

The quiet crisis of our times is this very thing: the transfer of faith from one generation to the next. The most "churched" generation in the last 100 years were the parents of baby-boomers. Mass attendance was hovering around 75% in 1958 in the United States. Since then Mass attendance has steadily declined. A statistic from 2023 says that 17% of Catholics attend Mass regularly. Why?

I recently came across an article (mostly prepared by ChatGPT) that analyzed trends and gave strategies for reversing it. It listed eight reasons for the decline: cultural shifts and secularization, the impact of scandals, generational changes, perceptual relevance, competition with other activities, decline in religious vocations, changes in religious education and evolving family structures.

Strategies for reversing this trend included: enhancement religious education and faith formation, revitalizing the worship experience, strengthening community engagement, focusing on personal connection and evangelization, embracing technology and modern communication and addressing scandals so as to restore trust.

I am going to dig deeper into this article and share it with staff members at both parishes. I also know that this kind of change involves more than new strategies. This kind of change is based on grace. As St. Ignatius Loyola once said, "Act as if everything depends on you and pray as if everything depends on God." Isaiah the prophet captured this stance in one short phrase. "...for you have accomplished all we have done." (Isaiah 26:12b)

The theme of our Vacation Bible Study Changemakers. Wherever the Lord has placed us, may we be Changemakers for good.

The Cycling Saints will be going on this Sunday afternoon. We will be leaving the Bur Oak picnic area in Elyria at 2:30 pm and biking north on the multipurpose path to St. Anthony Parish in Lorain. Its parking lot is on the shores of Lake Erie. There are some hills on this ride and round trip will be approximately 15 miles. Try to let me know (franco@stpeternr.org) if you will be joining me.

Today's gospel is the parable of the sower and the seed. It is a wonderful example of how Jesus used the things of daily life to communicate eternal spiritual truths. The story highlights both the potency of the seed and the conditions of the soil. Jesus is telling us that the message of the gospel is transformative. However, its effectiveness depends on the openness of our souls. Hardness of heart, fear stemming from self-preservation and attachments to the things of the world stifle the power of the message.

St. Angela Merici, founder of the Ursuline Sisters, encouraged her nuns, "in the first place strive with all your power and zeal to be open." By God's grace, let us heed St. Angela's exhortation.

In Christ,
Fr. Bob Franco

PS: Please see page 4 of this bulletin for Mass and a Movie at the Auto-Rama on Sunday evening, August 2. We will be joining with nine other parishes for an evening of faith, fellowship, food and fun.
