RESPECT
LIFE

From the desk of Fr. Bob...

Dear Parishioners,

Respect Life Sunday is typically the first Sunday in October and kicks off a month of highlighting the dignity of each person, born and unborn. Often this weekend/month does not get much attention on the parish level.

However, this year is different. Given the fact that there is a ballot initiative to write abortion into the Constitution of Ohio, many churches and people are focusing on the need to Respect Life at all its stages in Ohio. **This is the first and may be the only time this issue will be up for a vote in Ohio.** We need to pray and fast, educate ourselves and others, and vote this November.

In this bulletin, I have included a *Frequently Asked Question* page prepared by the Catholic Conference of Ohio regarding this ballot initiative known as **Issue 1**. On the back of this bulletin insert is the initiative itself. Though the original wording of this amendment has been updated, it is still vague in some areas. An "individual's right" leaves it open to whether this person is an adult or a minor. The phrase "receiving reproductive medical treatment, including, but not limited to abortion" could be interpreted to mean gender reassignment treatments and surgery. Coupled with the possibility of the person being a minor, this undercuts parental authority.

The sixth bullet point allows for an abortion at any stage of pregnancy if the treating physician determines it necessary to protect the woman's life or health. **By adding the word "health", a physician can justify almost any abortion.**

The answer to Issue 1 in November is simple: Vote No in November.

The Catholic Church is pro-woman and pro-child. Aside of this ballot initiative, St. Peter and St. Julie Parish is organizing a *Walking with Moms in Need* initiative to assist women who need help, be it prenatal care, transportation, baby clothes and furniture, or simply friendship. Please consider assisting with this ministry of compassion and care.

And even on the other side of abortion, the Church reaches out with help, healing, forgiveness, and hope through **Project Rachel** (see www.hopeafterabortion.com) to those who have been involved in an abortion. Our God cares for the unborn and the born, those in need of material help and those in need of mercy.

Earlier this week I spoke with Lisa Leonandries, the administrative assistant for Bishop Malesic. We were able to arrange a date for Bishop Malesic to come to St. Julie Parish and officially install me as Pastor. My installation date will be Sunday, November 5 at 11:00 a.m. Mass. Details will follow.

Pet Blessing: God cares for all his creatures. St. Julie Parish will also be having a blessing of pets next Saturday, October 7 at 1:00 p.m. Their blessing will take place at the St. Francis Shrine located on Julie Lane, the driveway that connects the Administration/Rectorry area on Opel Ave. with St. Julie Parish, located on Lear Nagle Rd. Please park at either end of Julie Lane.

Ezekiel the prophet proclaims

The Lord's way is not fair. Perhaps we have felt this way before. However, the truth is found in the Lord's response. **The Lord says, *Is it my way that is unfair, or rather, are not your ways unfair?*** We can be like the father's son in the gospel who said, "Yes" to his father's command to go to the vineyard, but do not go. **May the Lord help us to be yes in word and deed, demonstrating the integrity of our faith.**

In Christ,
Fr. Bob Franco

FREQUENTLY ASKED QUESTIONS

ABOUT ISSUE 1

What is Issue 1?

Issue 1 is a proposed amendment to the Ohio Constitution that would endanger the health and safety of women, threaten parental rights, and allow for abortion through all nine months of pregnancy. Ohioans will vote on November 7, 2023, whether to make this change to the Ohio Constitution.

What would Issue 1 do?

Put women at risk:

- **Health and safety standards in Ohio could be eliminated.** Doctors could no longer need to examine a woman or explain the risks of the abortion procedure ahead of time.

Threaten parental rights:

- **A fifteen-year-old could have an abortion without her parents knowing.** Current Ohio law requires parental notification and consent before a child under 18 can obtain an abortion. These parental right protections could be removed as they directly conflict with the amendment which would allow all individuals, including minors, to make their own reproductive decisions.

Allow for abortions of fully formed babies:

- **Abortion would be legal through all 9 months of pregnancy.** Physicians at an abortion clinic could use a woman's age or emotional well-being as a reason to perform an abortion in the 3rd trimester.

See "[Where Does it Say That?](#)" for specific information.

Would abortion be illegal in Ohio if Issue 1 does not pass?

If Issue 1 does not pass, abortion would still be legal in Ohio until a baby's heartbeat can be detected. This standard was challenged in court and placed on hold, allowing for abortions up to 22 weeks as of September 15, 2023. Current laws that protect the safety of women and parental rights would stay in effect.

Doesn't Issue 1 simply restore Ohio back to when Roe v. Wade was in effect?

Issue 1 goes dangerously beyond what was legalized in the Roe v. Wade ruling. It opens the door to remove important health and safety measures that protect women, threatens parental consent and notification of any minor seeking an abortion, and allows for abortion through all nine months of pregnancy.

Will miscarriage care or ectopic pregnancy treatment be denied if Issue 1 fails?

The passing or failure of Issue 1 will have no effect on the care a pregnant woman receives when her life is in danger, even if the treatment results in the loss of life of her unborn child. There is a fundamental difference between an elective abortion and the care provided after a miscarriage. In the case of an ectopic pregnancy, the life-affirming option is to surgically remove the mother's fallopian tube in which the embryo has implanted. No law restricts this care in Ohio or any other state in the country.

How is the Church helping pregnant women in need?

For decades, numerous Catholic social service agencies, in collaboration with faith-based and secular organizations, have assisted pregnant women in need with material resources and personal accompaniment during pregnancy and after their child is born. Project Rachel helps those struggling post-abortion. Every woman should be able to depend upon a community for support and the Catholic Church remains committed to woman in need.

What is the Church doing to protect life and defeat Issue 1?

Each diocese in Ohio is working together, through the Catholic Conference of Ohio, to help Catholics understand the dangers of Issue 1 to women, parents, and life. We are also part of the Protect Women Ohio coalition to let all voters know Issue 1 is harmful for Ohioans.

What can I do to help defeat Issue 1?

1. PRAY & Fast
2. EDUCATE Yourself and TELL OTHERS about the dangers of Issue 1
3. Register & VOTE NO on Issue 1

Issue 1

A Self-Executing Amendment Relating to Abortion and Other Reproductive Decisions

Proposed Constitutional Amendment

Proposed by Initiative Petition

To enact Section 22 of Article I of the Constitution of the State of Ohio

A majority yes vote is necessary for the amendment to pass.

The proposed amendment would:

- Establish in the Constitution of the State of Ohio an individual right to one's own reproductive medical treatment, including but not limited to abortion;
- Create legal protections for any person or entity that assists a person with receiving reproductive medical treatment, including but not limited to abortion;
- Prohibit the State from directly or indirectly burdening, penalizing, or prohibiting abortion before an unborn child is determined to be viable, unless the State demonstrates that it is using the least restrictive means;
- Grant a pregnant woman's treating physician the authority to determine, on a case-by-case basis, whether an unborn child is viable;
- Only allow the State to prohibit an abortion after an unborn child is determined by a pregnant woman's treating physician to be viable and only if the physician does not consider the abortion necessary to protect the pregnant woman's life or health; and
- Always allow an unborn child to be aborted at any stage of pregnancy, regardless of viability if, in the treating physician's determination, the abortion is necessary to protect the pregnant woman's life or health.

If passed, the amendment will become effective 30 days after the election.

Walking With Mom's in Need

During the past two years our parish joined a nationwide effort to increase outreach and support for pregnant and parenting mothers in difficult circumstances, entitled "Walking with Moms in Need." Phase one of this initiative was to compile a comprehensive list of pregnancy resources in Lorain County. This past spring, a core group was formed from St. Julie's and St. Peter's parishes to explore ways to take this initiative one step further in **"Providing help, Creating hope for moms in need"**.

We are now entering Phase two of our commitment to care for moms facing challenges by accompanying her on this journey. Please prayerfully consider how God may be calling you to this ministry.

Learn more at a parish wide informational meeting, Sunday, October 29th at 1:30-3:30 at St Julies Parish. Our presenters, Tom and Mary Wood are a couple who have lived this ministry for more than 15 years serving over 800 women.

Marketing, Advertising and Communication

Help to develop an advertising plan. Ex. Parish website, Facebook, Instagram, Twitter, lawn signs, radio, newspaper, bumper stickers etc. Create ways to “get the word out” who we are and that we want to help.

Fundraisers -Organize mini fundraising opportunities.

Accompaniers – Accompanier will receive mother’s name and contact information. Accompanier will call mom ASAP depending upon the urgency of the situation. The Accompanier will have a buddy partner. (other Accompaniers) Accompanier arranges to meet with mom. This will initiate the journey of accompaniment. First meeting: complete form to assess mom’s immediate and longer-term needs. Assist Mom to navigate the social service and community agencies to address basic, social, and spiritual needs. ex. food, diapers, baby supplies, furniture, housing etc. Accompaniers review long-term needs.

Necessities Team: Helping to secure items that the community resources are unable to provide. Organize parish involvement to secure needed items.

Specific miscellaneous needs – prepare a meal, set up furniture in the mom’s home, provide Uber gift card, etc.

Spiritual needs – praying for success of program, praying for individual moms in need. Joining others for prayer service.
