## *From the desk of Fr. Bob...*

Dear Parishioners,

Last week was *Catholic Schools Week*, a time in which Catholic Schools in the United States host open houses and registration drives. **This year's *Catholic Schools Week* in the Diocese of Cleveland was a little bit different. Bishop Malesic called the priests, principals and other parish staff members connected with Catholic Schools to meet at St. Albert the Great Parish in North Royalton.** The *Keeping the Faith 2023 Strategic Plan* for Elementary Education was unveiled. At the initiative of one of our pastors, Fr. John Betters of Ss. Robert and William in Euclid (now also pastoring St. John of the Cross Parish) encouraged then Bishop Perez to begin to develop a strategic plan. A few years later, under the leadership of Bishop Malesic, this plan has come to fruition. To quote the Bishop: *My expectation is that this plan will solidify our Catholic Elementary schools to continue to be irresistibly Catholic, academically excellent, operationally sound, and geographically accessible throughout our diocese for many years to come.*

There is a flyer in today's bulletin summarizing the plan. Like many plans, it is a work in progress. However, this plan calls for our parishes to work in closer collaboration as we seek to make Catholic education accessible, affordable, and religiously and academically excellent. The plan is hopeful, well thought out, and challenging.

**What will this mean for St. Julie Parish? I do not know.** I know that the bishop wants every parish in the diocese to have some stake in Catholic elementary school education. An image given by Dr. Frank O'Linn, Superintendent of Catholic Schools for the Diocese of Cleveland, was that of an archipelago, that is a grouping of separate islands in the ocean. From a bird's eye view, each island is independent and separated from other islands by a body of water. However, if one could see under the water, each island was somewhat tied together by an underwater land mass that unites them. So it is with the Church of Cleveland and its Catholic elementary schools. There are many different parishes and schools in many different areas of the Diocese of Cleveland. Yet, we are one Church with one mission-to proclaim the gospel of Jesus Christ in word, deed and sacrament-calling all people to follow Him.

The gospel passage for today gives us some of the most profound and thought-provoking imagery for the Church. Jesus said, *You are the salt of the earth...You are the light of the world.* Salt has the quality of preserving and "curing" meat. It keeps it from rotting. And so, it is with followers of Jesus. We embrace what is good in our world and in our culture in such a way as to keep it from being corrupted.

Cont'd

**As light for the world, we are to reveal by our good deeds the goodness of God.** In a culture that emphasizes convenience and efficiency, we uphold the dignity of each and every human being. One way for us as a parish is to practice the spiritual and corporal works of mercy. The St. Julie Parish Council will be spending some time looking into these works of mercy and finding ways to make them a reality by our good works.

Finally, please mark your calendars for Ash Wednesday on February 22 and just five days later, the beginning of our three-day *Parish Mission* with Karen May on *Walking Through Holy Week*. This is an event for the whole family.

In Christ,  
Fr. Bob Franco

### 2023 STRATEGIC PLAN FOR ELEMENTARY EDUCATION

January 30, 2023

It is with extraordinary joy and much hope that I share our Keeping the Faith Strategic Plan for our treasured Catholic elementary schools.

My expectation is that this plan will solidify our Catholic elementary schools to continue to be irresistibly Catholic, academically excellent, operationally sound and geographically accessible throughout our diocese for many years to come.

The mission of our parishes and schools is to provide opportunities for worship, evangelization and service that help to bring every man, woman and child ever closer to Christ.

I am asking that over the next few years, each parish in our diocese seeks to formally associate itself with a Catholic school. This will look different throughout the diocese, but I believe that it will be vital for us to ensure that Catholic school education is an integral part of every parish.

Our diocese is at an inflection point specific to the future of our schools. I believe it is the right time to reflect deeply and creatively on the vision, strategy and operational norms of Catholic schools in the Diocese of Cleveland, to deepen and renew the commitment to our mission of forming young souls and to chart a significant positive course for the future.

In the coming months and years, we look forward to implementing, in partnership with you, our plans for Keeping the Faith, resulting in a strong and secure future for our Catholic schools.

*+Edward C. Malesic*

# Keeping The Faith

The purpose of the strategic plan is to strengthen the system of elementary Catholic education to keep irresistibly Catholic, academically excellent, operationally sound and geographically accessible schools where demand exists. It aims to build on the strong history and success of Catholic education by ensuring an approach of excellence and continuous improvement. It endeavors to create pathways to the future that encourage communities to collaborate and enable schools to innovate in order to sustain excellence in mission. The plan consists of 27 strategic goals in 6 critical areas of focus.

## CATHOLIC identity

- Articulate common vision, language and approach for the diocese that communicates our identity as Catholic schools and standards for faith formation and education.
- Develop a faith and mission formation program for onboarding and ongoing support of all Catholic school employees, students and families.
- Establish a diocesan position responsible to ensure fidelity to the standards for Catholic identity, mission and culture and faith formation within each school.

## ACADEMIC excellence

- Articulate a common vision, language and approach for the Diocese that communicates high expectations for curriculum, instruction, assessment, and school culture.
- Share school quality information with increased transparency.
- Ensure the adoption of a standards-based curriculum in all schools.
- Facilitate the use of research-based core instructional practices to support all students' intellectual engagement and virtues.
- Implement best practices for using assessment data to ensure robust academic growth of all learners.
- Support students' social and emotional needs to foster the spiritual, academic and personal growth of each student.
- Empower schools to explore innovative educational models to meet the needs of their communities.

## LEADERSHIP and talent

- Develop a robust centralized recruitment strategy featuring practices designed to attract qualified, talented, diverse, candidates supportive of and committed to the Catholic faith.
- Enhance the onboarding process for priests and other leaders that includes clear communication of roles and responsibilities.
- Develop and implement formal programs to assist principals with their professional development in all phases of their careers.
- Build a comprehensive principal pipeline to recruit, support, evaluate and promote principalship in Catholic elementary schools.

## FINANCE

- Develop guidance for allocation of parish and diocesan resources to Catholic school education.
- Develop a global funding strategy for all diocesan elementary schools that defines best practices for setting tuition, financial aid, maximizing available public funding, endowments, and fundraising.
- Develop comprehensive cost models to guide parishes and schools in balancing operating costs.
- Develop teacher and administrator compensation tables to recommend salary ranges for attracting high-quality educators and leaders.
- Develop best practices for raising funds.
- Conduct comprehensive facilities assessments in all diocesan schools.
- Establish a school vitality assessment to evaluate schools, and where necessary, form improvement plans.

## GOVERNANCE

- Articulate the means by which every parish will support a school pastorally and/or financially.
- Develop an updated menu of governance options for schools and parishes, including potential new models.
- Develop a process for parishes and schools to explore local needs and assess potential changes through reorganization, collaborative partnerships, mergers, or closure.
- Establish a Diocesan Advisory Board for Elementary Catholic Education to be consultative to the bishop of Cleveland.

## MARKETING

- Build the capacity of all elementary schools for effective local marketing by providing leadership and support from a new diocesan-level marketing position.
- Develop and implement a comprehensive marketing plan for Catholic education in the diocese, with an emphasis on elementary schools.

# Partners in FAITH™

Helping our children grow in their Catholic faith.

February 2023

St. Julie Billiart Parish

## Thoughtful Moments

### Instill confidence in prayer

Many Catholic parents worry their children will be tempted away from the Faith. The good news is that children who grow up with a strong prayer life, regular Mass attendance and Confession often are likely to stay Catholic. Youngsters who turn to God from an early age grow up to revere and lean on Him. Teach children to pray and have prayer aids handy. Pray regularly as a family, and stay close to the greatest Catholic prayer – the Mass.

### Love of God and others

Christian parents, by example, can help their children live the greatest commandments – love of God and neighbor. By creating a home where tenderness, forgiveness, respect, and humility flourish, the family places the spiritual above the material aspects of society. Children learn to love as God loves – freely, confidently, and without limits.

*"Discipline your children, and they will bring you comfort, and give delight to your soul" (Proverbs 29:17).*

## Four holy habits to teach children during Lent

The season of Lent is a call to change our ways and repent. It's also a chance to help our youngsters grow in holiness. In turn, we will find ourselves becoming more virtuous as we *"train a child in the way he should go"* (Proverbs 22:6).

**Patience:** Children often have trouble waiting, but impatience can make us sad or mad, and lead us to stop trusting in God. Teach patience by calmly waiting your turn, don't complain when enduring difficulty, and encourage children to pray while waiting.

**Kindness:** Flowing out of the virtue of charity, it is best learned by feeling it so it can be reproduced. Make kindness a signature virtue your family shares.

**Honesty:** Deception in any form is sinful. Children may lie to get out of trouble, to get something they want, to avoid upsetting others.

When they admit to wrong doing, extend mercy. If you uncover a lie, require an apology and

impose steps to repair damage done.

**Obedience:** Our fallen nature means that disobedience is more natural to us than submitting to authority, but

obedience recognizes rightful authority. This virtue encourages us to submit to God's will – a critical life skill. We can model obedience when we seek God's will in prayer and Scripture, pray for His guidance, and model those habits for our children.

## Why Do Catholics Do That?

Each color highlights a particular aspect of the season and helps us enter the mystery we're celebrating. Green symbolizes spiritual growth and is worn during Ordinary Time. Purple (or violet) is for the penitential seasons of Lent

## Why do we use different colored vestments during Mass?

and Advent. White and gold signify joy and glory and are for Christmas and Easter. Red, recalling Christ's blood, is worn on Good Friday and the feasts of the martyrs. It also recalls the Holy Spirit and is worn on Pentecost and Confirmations.

# Explain the Faith on five fingers

The best gift we can give our children is a close, loving relationship with Christ. An easy way to explain the basics of our faith in Him is to use the five fingers of the left hand:

**Pinky:** The smallest finger reminds us that we're weak and need a Savior. We must ask Him each day for the graces we need.

**Ring finger:** Traditionally, this is the finger on which married people wear a wedding ring. God's love for us is forever, like the perfect,

endless circle of a wedding ring.

**Tall finger:** Jesus died on the Cross for our sins and then He rose, victorious. He promises that if we stay close to Him, we will also rise, victorious, to Heaven.

**Pointer:** Jesus chooses each of us to imitate His example of love. He asks us to inspire others with our words and actions.

**Thumb:** As part of Jesus' Body, we are stronger together than alone. "Thumbs up!" reminds us to stay close to Him and invite others, too.

## Scripture LESSON

### Matthew 4:1-11, Jesus leads us to victory

In this Gospel reading, Satan tried to tempt Jesus to sin. Jesus confronted the three basic temptations we all face and showed us how to fight them: choosing self-control over selfishness, serving God instead of expecting Him to serve us, and remaining faithful to God's plan, even in the face of difficulties.

During the season of Lent, we join Jesus in the desert in prayer and fasting for forty days (not counting Sundays). We use this time to go deeper in relationship with God and to purify our hearts to love well, and to grow in virtue. Sooner or

later in our lives, we all encounter temptations, especially the temptation to give up.

*What can a parent do?*

Remind youngsters that the lesson of Lent is to come back to God and encourage them to make offerings that help them think, choose, and love like Jesus. For example, they can resolve to only say kind words, sacrifice dessert, help around the house. Teach them to pray whenever they feel tempted. When we stay close to Jesus, He will lead us home.

## Feasts & Celebrations

**February 2 – Presentation of the Lord.** In accordance with the Law of Moses, Mary and Joseph brought Jesus to the Temple forty days after His birth, and Simeon praised God for revealing the long-awaited Savior.

**February 3 – St. Ansgar (865).** St. Ansgar was born in Picardy, France. He was sent to a Benedictine monastery after his mother's death. After taking vows, he traveled to Denmark and Sweden to preach the Gospel.

**February 4 – St. Jane of Valois (1505).**

Briefly a queen of France, St. Jane was unwillingly married to the Duke of Orleans. Despite an unhappy marriage, she remained loyal and patient. When their marriage was annulled, she retired to Bourges and founded the Order of the Annunciation.

**February 22 – Ash Wednesday.** The first day of Lent. The ashes of old palms are placed on the forehead as a sign of penance. Today is a day of abstinence from meat and fasting – one regular meal and two smaller meals that together don't equal a full meal.

## Parent TALK

Lent often felt like a holy diet to me. I focused on cutting out sweets, alcohol, and snacking. I ended up, six weeks

later, pounds lighter and not an ounce holier. When the children came along, I decided to look at the

three pillars: prayer, penance, and almsgiving.

On Ash Wednesday Mass we each offered a sacrifice – a favorite toy, screen time, some luxury. Then, we agreed that each night before bedtime we would pray a decade of the Rosary and offer spontaneous prayer.

Finally, we spent the weeks setting aside gently used toys and clothes to donate at the end of the season. We also increased our contributions to the poor box at church.

The emphasis on God and the practices the Church encouraged brought us out of ourselves and helped us approach Easter with a new perspective. As my daughter said, "Isn't that the whole point of Lent?"
