Ohio's Safe Havens for Newborns

Safe Havens allows a birth parent to leave an infant (up to 30 days old) with a medical worker in a hospital; a medical worker at a fire department or other emergency service organization; or a peace officer at a law enforcement agency. There will be no legal consequences for parents making this choice if the infant has not been abused.

WALKING WITH MOMS IN NEED

An Inventory of Local Pregnancy Help and Family Assistance for women raising children.

Pregnant and parenting moms-in-need are in our parishes and our neighborhoods. As Pope Francis reminds us, our parishes need to be "Islands of mercy in the midst of the sea of indifference." Everyone in the parish community should know where to refer a pregnant woman in need.

Sponsored by the United States Council of Catholic Bishops in partnership with the churches in the Cleveland Diocese and St. Julie Billiart Respect Life Group
